The 7th note (the 4 draw) isn't technically correct but is close. If you can bend the 5 exhale to drop it a little, it would be more accurate.

1. The other night dear, as I lay sleeping
 I dreamed I held you in my arms
 When I awoke, dear, I was mistaken
 So I hung my head and I cried.

ch: You are my sunshine, my only sunshine
 You make me happy when skies are gray
 You'll never know dear, how much I miss you
 Please don't take my sunshine away

2. I'll always love you and make you happy,
 If you will only say the same.
 But if you leave me to love another,

You'll regret it all some day:

3. You told me once, dear, you really loved me
 And no one else could come between.
 But not you've left me and love another;
 You have shattered all my dreams:
